

Ways to Give

There are two main ways to make contributions to the various ministries of the church.

One is by writing a check and placing it in a tithe envelope (like the one described below).

The other is by giving on line (see the link on the church website at <http://calimesasda.com/quick-links/giving>).

Tithe. Usually calculated as 10% of net income. These funds go to the Conference to support denominational workers world wide.

Conference and World Budget

Ministries. These are also funded by donations in addition to Tithe and local church funds.

Check Cash

Church Budget. These funds cover most of the basic operations of our local church (Utilities, local church employee salaries, some local ministries and school subsidy for MGA. This amounts to a little over \$400,000 a year.

Non Budgeted Local Church Ministries. These are ministries that are primarily funded by donations, and are generally not supported by church budget funds.

If you have further questions about how to give or additional giving opportunities, please feel free to contact our Church Treasurer or any of the pastoral staff.
