Q: Do you have a nursing room?

A: Yes! Our nursing room is located in the preschool department. There, you will find a private room with soft music, a rocking chairs and you will have access to a changing table. Ask the front desk attendant or ring the bell to gain access.

Q: Do you serve snacks?

A: Yes. We serve ministry provided snacks during the 9am service only. Our snacks are hypo-allergenic, however, it is important that you share any food related allergens that affect your child! Their safety is of critical importance to our team.

Q: Can I stay with my child in the preschool department?

A: Because we highly value the safety and security of our children's ministry, parents are not allowed to stay with their children in the R-Kids area. If you are new to Ridgecrest, and would like a tour of your child's room, would like to meet your child's teacher, or have specific questions about our R-Kids policies, please ask one of our courteous front desk volunteers, or email me at kindra@ridgecrest.org. We desire to make your child feel safe, welcome, and loved while you attend services @ RBC.

Q: Do you perform background checks on your teachers:

A: Absolutely! Each preschool volunteer has had a background check. We also require that there be at least 2 teachers with the children at all times.

Q: My child is currently in the 5's class; when will he/she be promoted to KidZone Elementary Ministry?

A: If your child will enter Kindergarten grade this fall, your child will advance to KidZone on promotion day in August. It's very important that your child be grouped with his peers *by grade*. If you have any questions or concerns, please send an email to kindra@ridgecrest.org.
