CURRICULUM OVERVIEW

Pre/K

PreK/K Sunday School is offered every other week, September-April. The program is for preschool (age 4 by 9/1/18) and kindergarten (age 5 by 9/1/18) age children. We use the *Allelu!* curriculum with lessons featuring activities, Bible stories, music, crafts, prayer, games and more. Children imagine, explore, create, and DO! – Engaging all their senses as they gain the building blocks for a lifetime of Catholic Faith. *Allelu!* nurtures young children’s natural tendency to seek a relationship with God, reinforcing a strong sense of community and love.

Elementary and Middle School

Written by the Sisters of Notre Dame, New Evangelization Edition of Christ Our Life provides the foundation of our faith formation program. This edition has emphasis on going forth as disciples of Christ. Some special features of this series are:

- Original spiral curriculum ensures consistent progress and development
- Faith content is developed throughout with Scripture integrated into each lesson
- Four themes of the Catechism—Creed, Sacraments, Morality, and Prayer—are integrated
- Abundant prayer opportunities invite personal and communal prayer
- Catholic Social Teaching connects with real-life faith
- Online resources available for catechists, parents, and children to supplement and reinforce the concepts taught in class

The primary theme of each grade is:

1st Grade: God is good - Salvation

2nd Grade: God Cares for Us: Eucharist and Reconciliation

3rd Grade: We Believe - The Catholic Faith

4th Grade: God Guides Us: The Ten Commandments/Beatitudes

5th Grade: We Worship - Liturgy and the Mass

6th Grade: God Calls a People - The Hebrew Scriptures

7th Grade: Jesus the Way, the Truth, and the Life - Jesus Christ

We invite you to see the many online resources offered by Christ Our Life at <http://www.loyolapress.com/christ-our-life-about-the-program.htm>

First Reconciliation and First Eucharist Preparation

General Sacrament Policy: Preparation for, and reception of the Sacraments of First Eucharist and First Reconciliation, are celebrated in the parish where membership is maintained or where the family resides. Preparation for these sacraments happens in both the religion class (Catholic day school or evening Religious Education class) and in the parish itself, consisting of units pertaining to the background and understanding of the sacrament. Students participating in a sacramental preparation process must have adequately completed all grade levels in religious formation leading up to the grade level of immediate sacramental preparation. Since parents/guardians are a child's first and most important catechist, parents/guardians are expected to participate completely in the various components of the preparation process. It is their unique perspective that discerns the readiness of their child for the sacrament. Preparation for each sacrament may include parent meetings, parent-child sessions, home-based family lessons, and a retreat. The parish of membership will communicate with **both public and parochial school** parents regarding sacramental preparation and celebration. Please note children must complete the preparation for the sacrament of reconciliation prior to receiving their First Eucharist.

Parent Child Classes Grades 1-10

St. Raphael offers a variety of ways for parents and children to connect and grow in their faith. One of those ways is by offering one parent child class for grades 1 & 3-10. Grade 2 will have three parent child classes to help children prepare for First Reconciliation and First Eucharist. Some fast facts to help you plan:

- The parent child classes are one hour in length and are held during your child's regular class time. (Tuesday/Wednesday at 4:15, 5:30, 6:45 or 8:00pm)
- At least one parent must attend the parent/child class with their child.

- Babysitting will be provided per parent RSVP.
- A reminder letter with RSVP will be sent 3 weeks in advance to remind families of the parent child class/dates times.

High School Grades 9 & 10

Dear Parents,

Welcome back to another year of religious education at St. Raphael the Archangel Parish. We are excited to continue the journey of faith with you and your (now) High School sons and daughters. We will continue to use the **Catholic Faith Handbook** for grades 9 & 10.

In grade 9 students will study a semester of *Sacraments and Prayer* and a semester of *Creed*. Grade 10 will study one semester of *Christian Morality* from the Catholic Faith Handbook and one semester of *YOU; Life, Love and Theology of the Body* (by; Jason and Christilina Everet).

The information presented through the CFHB will be broken down in four components; **Pray it!** Will open with prayer related to the chapter topic and invites interactive prayer opportunities; **Study it!** Is the heart of the lesson using the CFHB in class for topic background, history, connections to church teaching (CCC) as well as review questions; **Live it!** Engages students in learning an activity that connects the chapter topic to life experiences; and each session concludes with **closing prayer** connecting the participants to the main lesson objective.

Please note, on the previous page, that we will hold parent/child sessions in grades 9 & 10. The sessions are built into the class schedule; **November 7** (Creed) is for grade 9 parents and students, and **May 8 (Theology of the Body)** is set aside for grade 10 parents and students. These sessions are designed to bring families closer to Christ, and not to test where you are at in your faith journey. We will provide families with ways they can talk about and live out their faith at home.

In addition to the parent/child class high school students will need to attend one grade level retreat prior to **May 30, 2019**. The **9th grade retreat is offered Sunday March 31** and the **10th grade retreat is offered Sunday January 31**. Students in grades 9 & 10 are also asked to complete 10 hours community service. **For incoming 9th graders 2018/2019, one of these hours is required to be a ministry mentorship experience.**

High School Summer Requirements

Dear parents, we are pleased to be one of only two parishes in the Diocese of Green Bay to offer a summer RE option for high school students in grades 9 and 10. We recognize the changing needs of the family and will do our best to meet both your needs and the requirements set forth for religious education by the Bishop. With that said, as you consider the summer option for your family please review the below program requirements before registering.

AFTERSHOCK will present students with the opportunity to grow deeper in their faith, have fun with their peers, be engaged as leaders, and most importantly have an opportunity to be present to each other as brothers and sisters in Christ while being formed as Disciples of Jesus Christ. **FOOD, FUN, & FAITH**

Kyrios High School Retreats are offered twice per year (**Oct. 26-28, 2018 and June 7-9, 2019**) and are an amazing opportunity for students to enter more deeply into their faith and become a part of a bigger community of their peers.

Mission Trip There is a High School youth mission trip every summer to help students begin to learn the value of service and to encounter Christ in the most vulnerable of our society.

Confirmation

Students entering their junior or senior year, who have completed High School Faith Formation classes, are invited to enroll in the Confirmation program should he/she feel ready to commit to saying “yes” to a life lived in Christ. St. Raphael offers three Confirmation tracks. The first option is our Summer Alpha Sessions. Alpha is an international ecumenical program that explores the Christian Faith using video presentations and small group discussions. Our summer program features eleven Alpha sessions, along with one retreat date. The second option is our Fall Alpha Sessions which are identical to our summer sessions in content and format. The only difference is they occur during the fall semester (September – December).

Our third option is called Kyrios. Kyrios is our parish renewal retreat for High School students. It closely follows the Paschal mystery of Jesus Christ and challenges our young people to make Jesus the Lord of their life. It features talks, dramas, and small groups led by members of our High School Peery Ministry Team, along with support from our Adult Volunteer COR Team. This is a three day retreat. Immediately following the retreat, students are also expected to attend four Aftershock Experiences.

Additional Requirements for Confirmation Candidates include:

St. Raphael Religious Education Policies

ABSENTEES: Attendance is expected at all sessions of our Religious Education program. If a child is not able to attend a class, parents should contact Ann Olig, the Religious Education Secretary, by email (ann.olig@raphael.org) or by phone (920) 233-8044. **Please contact the office by 12:00 on the day the absence occurs.** If parents do not notify the office before an absence occurs, the child will receive an unexcused absence for that class. In order to ensure a quality formation program, students in grades 1-10 are allowed 3 absences during the year. If a student misses more than the allowed number of absences without the knowledge of the grade level coordinator, a meeting between the coordinator and parent/guardian must take place to find ways to help the family ensure continued attendance.

Make-Up Work: In order to ensure we meet the needs of your child, make-up work will be given for any missed classes. *Missing more than ½ of your child's scheduled classes could result in not moving up the next year* Please contact your child's grade level coordinator to arrange for make-up work to be sent home should your child need to miss a class. **Note: All high school classes will be required to do make up work from any missed session.**
Due to the compressed content of the summer High School classes, absences are not allowed.

ALCOHOL/DRUGS/TOBACCO: Student use or possession of alcohol, drugs, tobacco or "vapes" is prohibited on parish property and parish sponsored events. Police and parent contact will always be made according to Wisconsin State Statutes.

ARRIVAL/DEPARTURE: Our responsibility for children enrolled in the Faith Formation program begins not more than ten minutes before or after the program as the children enter or leave the building. Parents must drop off/pick up children within these time limits. **Children in Grades PreK-2 should be accompanied to their classroom, and picked up from their classroom, by a parent unless arrangements have been made with the grade level coordinator ahead of time.**

CANCELLATION: The rule of thumb is if Oshkosh public schools cancel class, Religious Education classes are also cancelled. Parents who want to know if an event has been cancelled are directed to the St. Raphael website (www.raphael.org) for up-to-date information. Parents are asked to call the office only if they do not have Internet access.

COMMUNICATION DEVICES: Students may not use 2-way or portable electronic devices during class time. This includes phones, i-pods, i-pads, and "i-whatevers," unless the Coordinator determines that an exception is appropriate.

EARLY DISMISSAL: A student may be excused early from class only with a written excuse that states the reason and is signed by a parent/guardian or by a prior phone call from a parent/guardian to the Faith Formation office. All early dismissals occur from the office.

FOOD IN CLASS: In view of the large number of children with food allergies as well as the limited time which the catechetical schedule provides, food treats are not allowed in class except when provided by the administrators for all children on special seasonal occasions. **Please contact your child's grade level coordinator a week in advance, should your child want to bring a treat for class.**

HARASSMENT: In order to maintain a positive learning and working environment that is free from any type of harassment, every effort will be made to ensure that no harassment occurs within and among the staff/program. Employees, volunteers and students need to be aware of the local, state and federal laws as well as the mandate of Jesus to treat all with dignity and respect. Violations of this policy will be a cause for disciplinary action.

MEDICATION: The Coordinator of the Faith Formation Program, including the Youth Minister on extended trips, may administer to students under their care, medications lawfully sold without a prescription, provided that the consent and written instructions of the pupil's parents/guardians are on file.

SPECIAL NEEDS STUDENTS: Fostering the faith development of every child is of primary importance to the community of St. Raphael. Every effort will be made by the Faith Formation staff to meet the needs of all children. If your child has an IEP or needs additional support within the classroom, we are more than happy to partner with your family to provide support on a variety of levels. Please contact Jessie Adrians to schedule an appointment or for more information.

STUDENT DRESS: Students shall wear clothing appropriate to the learning environment of a church community or parish-sponsored event. Hats and coats are removed during class. Garments which advertise or promote values contrary to the message of Jesus are not acceptable. Attire that causes unsafe situations, such as hee-ies/wheeled shoes may not be worn. Students may not wear scanty and/or revealing clothing. Examples may include but are not limited to tube tops, halters, back-less tops, spaghetti straps, exposed midriffs or under garments. Since styles change, the Director or Coordinator reserves the right to determine what is inappropriate or distracting to the learning environment of a church community or a parish-sponsored event.

WEAPONS: Possession of dangerous weapons, or transfer of the same to a minor, is prohibited under W.S.A. 948.60. Dangerous weapons are defined as any firearm, whether loaded or unloaded or any device designed as a weapon and capable of causing death or great bodily harm. Those over the age of 21 are expected to follow Wisconsin State Laws regarding the possession of firearms or other weapons. For more information visit www.gunstocarry.com/gun-laws-state/wisconsin-gun-laws/

WITHDRAWALS: Please inform the Faith Formation office if you are moving or if for some other reason you are discontinuing in the program. Refunds cannot be granted after **October 31, 2018.**

SAFE ENVIRONMENT SOCIAL COMMUNICATIONS POLICY FOR THE DIOCESE OF GREEN BAY

Social networks and other digital communication offer individuals, groups and the Catholic Church an opportunity to connect in positive ways. We are able to encourage one another, strengthen community ties and boldly proclaim the Gospel of Jesus Christ. While communication has technically advanced, it is at its core a human interaction. This Safe Environment Social Communications Policy creates clear standards and expectations for online and digital communication to protect children, youth and individuals at risk in virtual spaces.

Parents are the primary catechists and role models of discipleship to their children. All ministry leaders and volunteers representing the Catholic Church have a responsibility to respect the wishes and stated desire of parents with regard to their child's level of participation in the use of social media or any form of digital communication.

A parent or guardian must complete the Parental Statement of Intent before any ministry representative may engage in any electronic communication with any minor or individual at risk, with whom they have any connection because of their ministry. Any educator, catechist, coach, youth minister or other representative of any parish, school or organization in the Diocese of Green Bay is responsible to have the signed Parental Statement of Intent on file at the local level. **The Parental Statement of Intent must be renewed each year.**

No ministry representative may engage in any non-public electronic communication (any digital communication to which a parent or guardian does not have direct and immediate access) with any minor or individual at risk without a parent or guardian having granted permission (selecting “Yes, I authorize”) to do so in the Parental Statement of Intent. Guidelines for use of written words, photos, videos and audio recordings Clergy, employees, and volunteers must obtain parental or guardian permission to photograph, videotape.

Parents/guardians must sign the parental statement of intent before registration is accepted for religious education classes at St. Raphael. To view the Parental Statement of Intent and the Social Communications Policy for the Diocese of Green Bay visit:

Smoothing Out Discipline Problems: Strategies and Tools

To aid your family in preparing for RE classes, below are the procedures that catechists are asked to follow in regards to discipline in the classroom. Parents will be contacted if a child is struggling or needs to be removed from class.

Tips for Smoothing out Discipline Problems

1. **Have a plan:** Set ground rules for the classroom and involve the class in setting those rules. (See Classroom Management) Set clear and concise rules that are easy to understand.
2. **Be Fair:** Students have a distinct sense of what is and what is not fair. You must act fairly for all students if you expect to be respected. If you do not treat all students equitably, you will be labeled as unfair. Students will not be keen to follow your rules.
3. **Notice and reward positive behavior:** If your class is getting overly “chatty” pick out the one student who is listening quietly and say, “I like how Michael is raising his hand, or I really appreciate how Sarah is sitting quietly and waiting for directions.” You will be surprised at how quickly the others will follow their example.
4. **Deal with disruptions with little interruption:** When you have classroom disruptions, it is imperative that you deal with them immediately and with as little interruption of your class momentum as possible.
5. **Avoid confrontations:** When there is a confrontation there is a winner and a loser. Avoid confronting students in front of the class.
6. **Set High Expectations:** Start each session by telling the class what you expect from them, “I expect you to raise your hands when you have a question or comment”, always use a happy tone not demanding. Praise often when students engage in the class.
7. **Over plan:** Avoid empty space in the time you have to teach the lesson. To do this have extra activities planned you can use to engage students, use challenges, word search or other age appropriate activities.
8. **Be Consistent:** Enforce classroom rules consistently, do not change how you discipline or let things go on one day and be the enforcer the next.
9. **Start Fresh Everyday:** Be sure to start each class with a smile and the same expectations. Greeting the students and asking them how their day or week is will help you build relationships that are trusting. Be present to the students; listen to them if they need time to settle in. Icebreakers are an excellent way to shift their minds from an already busy day to a lighter mood!

St. Raphael Catechist Discipline Procedure: If the above techniques fail, follow the 3 steps below

- 1) Give the student **one warning** in a clear and direct manner. “Peter, raise your hand instead of shouting when you have something to share.”
- 2) If they do not stop give them a **second warning**. “Peter, raise your hand if you have something to say so that others in the class can share.”
- 3) If the behavior continues, send another child to the front desk, or hang your “minion” tag on the outside of your door, and a coordinator will come to support you.

TUITION

Parents are expected to be members of St. Raphael Parish before registering their children in the Faith Formation program. Families who are not members of St. Raphael Parish wishing to enroll their children in the program will pay the out-of-parish tuition.

Fee covers materials, sacramental prep & retreat fees
- Out of Parish Tuition: \$180 per child

A Note to our Families:

- **RETURNING FAMILIES:** We want all of our children and families to be with us always, but we also realize that sometimes life circumstances may create conflicts with Faith Formation class times and days. Opportunities for catechesis are provided throughout all grades for children and their families who have not yet received the Initiation Sacraments or are "out of sync" with their peers. This process may involve CIC (Christian Initiation of Children) or RCIA (Rite of Christian Initiation of Adults).
- **FAMILIES IN NEED OF FINANCIAL ASSISTANCE:** No student will be excluded from any aspect of the Faith Formation program because of the inability to pay. All fees are negotiable with the Coordinator (Jessie Adrians) depending upon your financial circumstances.
- If you are a returning family or are in need of financial assistance, please email jessie.adrians@raphael.org or call 233-8044 and ask for extension 227. Strict confidentiality will be maintained.

Sunday Mass

The Church defines parents as the primary catechists in the lives of our children. One of the most important way to ensure we are transmitting the faith to our children is by full and active participation in Mass every Sunday. The Mass is the source and summit of our faith. It is at Mass where we offer our lives to Jesus Christ and He gives us the nourishment we need in Scripture and in reception of the Eucharist. Our community is the Body of Christ and our body suffers when one of its members are missing.

Mass Times:

Saturday 5:00pm

Sunday 7:30am

9:00am

11:00am

5:00pm (September –May)
