FALL FESTIVAL OCT. 12

If you've signed up to help, you will be contacted this week to finalize plans. If you'd still like to be involved, see Shellie Korhorn. Today is the last day to donate candy.

Harvesters are encouraged to grab a few postcards to hand out as personal invitations to friends, co-workers, etc. leading up to the 12th. If you know of a business or public place that would allow a flyer to be posted, those are available on the Fall Fest table as well.

HARVEST DIRECTORY

Harvest directories are now available in print. Adults are encouraged to take one or two per family. The directory will be available soon in PDF format on the Harvesters' Resources page on our website.

YOUTH GROUP SNACKS

If you'd like to help provide snacks for the youth group any Sunday, a sign-up sheet is on the back table. The students thank you!

NEW TO HARVEST?

If you're new to Harvest (within the last year or so), we invite you to join us after 2nd service on October 27 for lunch. You can learn more about our values, and get to know the pastors and shepherd team. More details to come!
