## WORKSHOP

HELPING YOU FIND GOD'S PURPOSE FOR YOUR LIFE

**This workshop is not about Grace Bible Church:** it isn't to make a list of people with the "right" characteristics that we can plug into the "right" slots in our ministries, although finding service opportunities in our ministries might be an outcome for you. Instead, this workshop will help you see how you are uniquely positioned to walk a path that God has made for you so that you will be equipped to determine where and how He is leading you to serve.

### THE FORMAT

- Using two working sessions
- Some one-on-one discussion
- Available support from our Guides to help you think through your S.H.A.P.E.

- S** • Identify your spiritual gifts,  
**H** • Find your heart and passion for serving,  
**A** • Identify your abilities and talents that bring fulfillment,  
**P** • See how your personality guides your service, and  
**E** • Consider how God has prepared you through your life experiences
