APOLOGETICS

9 am - Portable room 2 ~ Led by David Francis

Apologetics 101 is an introductory course that equips Christians to confidently defend their faith. It covers the rational and biblical foundations of Christianity, addressing common questions and objections. Participants will learn to engage in respectful dialogue, provide reasoned answers, and deepen their understanding of Christian beliefs.

A MATURING JOURNEY WITH THE LORD: THE PSALMS OF ASCENT

10:30 am - Portable room 2 ~ Led by Paul Ziegler

This class offers an in-depth study of Psalms 120–134, known as the “Psalms of Ascent.” These ancient songs, sung by pilgrims to Jerusalem, provide wisdom for strengthening one’s relationship with God. WORKSHOP

HELPING YOU FIND GOD'S PURPOSE FOR YOUR LIFE

This workshop is not about Grace Bible Church: it isn't to make a list of people with the "right" characteristics that we can plug into the "right" slots in our ministries, although finding service opportunities in our ministries might be an outcome for you. Instead, this workshop will help you see how you are uniquely positioned to walk a path that God has made for you so that you will be equipped to determine where and how He is leading you to serve.

THE FORMAT

- Using two working sessions
- Some one-on-one discussion
- Available support from our Guides to help you think through your S.H.A.P.E.

- S** • Identify your spiritual gifts,
H • Find your heart and passion for serving,
A • Identify your abilities and talents that bring fulfillment,
P • See how your personality guides your service, and
E • Consider how God has prepared you through your life experiences

Ladies, we will be challenged to reflect on our dependence on God and our purpose in Him as we study Acts chapters 17-28 together. These chapters chronicle the spread of the Gospel throughout the Roman world. Paul's travels take him to Thessalonica, Berea and Athens, where he engages with philosophers and ordinary people. We can learn to be like Paul, using personal experiences to introduce others to Jesus. We will be inspired to proclaim the truth despite opposition that still exists in our culture today.
