

## Why Connect Groups?

We love having you here on Sunday mornings for worship but we know that for us to grow in our Christian walk, we need to meet with, eat with, get to know, pray with, study with, maybe disagree with and fellowship with other Christians!

So, we encourage everyone to be part of a Bible study, prayer group or Connect Group. Connect Groups are just one option for getting to know people here at DGT. We also offer studies during the week and you can find them listed in our bulletin.

At Connect Groups you usually eat, have good Christian fellowship, a time to discuss, a time to ask questions and a time to share needs and pray for each other.

## Connect Group Discussion Questions

1. **Catch up on what's been happening in each other's life and family. Share one good thing that happened in your life this last week.**
2. **We've been in the series, "Radical Sayings of Jesus" and we've covered subjects about who Jesus said He is, prayer and what it means to follow Him. What do you remember about those messages?**
3. **Today's message was on the dangers of sin and the importance of getting rid of those activities, people and places. Can you share how you have had to make some tough decisions about living a committed Christian life?**
4. **Our personal sins are something we don't want to talk about but it's so important to have a good friend that will be honest with us to tell us the truth if we are going the wrong direction. Have you a friend like that?**
5. **In the past our church like so many conservative Baptist and Pentecostal churches emphasized living "holy" lives which meant: no makeup or jewelry, no bowling or roller skating, etc. Today most churches do not have that same emphasis on "holy" living. Is that a good thing or a bad thing? How is DGT doing now?**

### Take time to pray:

**For each other: What are your personal concerns for this next week or month? Unsaved loved ones, health concerns, job situation?**

**For our church ministries and land development.**

**For our country: President, Supreme Court, etc.**
