

Candidacy is the churchwide process of preparation and formation leading to service as a Minister of Word and Sacrament or Minister of Word and Service. Any baptized person who senses a call to serve on a roster of the ELCA must complete this form to begin the process toward candidacy. People seeking rostering who are previously ordained in another Lutheran Church or another Christian tradition must also complete the Application from a Pastor in Another Lutheran Church or Christian Tradition form. Persons seeking reinstatement must also complete the Reinstatement form.

ENTRANCE ESSAY

The entrance essay is an autobiographical reflection which should contain insights and understandings gained during the period of discernment leading to your decision to apply for candidacy in the Evangelical Lutheran Church in America. It is not expected that your process of discernment is completed. You are asked only to provide an honest assessment of your current self-understanding of your journey thus far and your hope for the future. It will provide the committee with background that will help guide your interview.

*For each of the four parts, please write two to three pages in length, double spaced, and photocopy ready. **Please submit a copy of the essay to your candidacy committee through your synod office.** Keep a copy of the essay for yourself and bring it with you to your Entrance Interview.*

- 1) Provide a brief autobiography that includes your early years, faith formation and current life situation.
- 2) Describe your journey of discernment. How did you first experience your call to rostered ministry? What have you done to deepen this understanding? Who have you discussed this with? Through this intentional time of discernment, what have you learned about yourself, the church and the world?
- 3) Describe your relationship with Jesus Christ.
- 4) What plans do you have for formation for rostered leadership, including theological education? How do you plan to develop yourself as a Missional Leader? Consider all areas of the wholeness wheel. How can this candidacy process help you prepare to be called by the church to rostered leadership?

I state that the above information is true and correct. I hereby apply for entrance into the process for candidacy in the Evangelical Lutheran Church in America.
