

“July Fun in the Sun” at Chapel School

How Does Our Garden Grow?

What: Continue your child's experience at Chapel School into the summer! Four, 3 day weeks will be offered from July 9th - August 1st. As in previous years, we will have the water games and sprinklers. We will also have the students working with the gardens as more vegetables will be growing at that time of year. Students will garden; learning the needs of our plants through watering, weeding, planting, and harvesting. Throughout the 4 weeks, there will be various hands on activities, water play, literacy, music, science, nature-based crafts and more!
