4. When do you think Jesus weeps with us today?
5. Why did Jesus raise Lazarus from the dead? What was the community to learn from that?
6. When you hear Martha say to Jesus "if you had been here my brother would not have died" does it make you think of a time when you wondered where Jesus was?
7. When do you feel closest to Jesus and when do you feel the most distant?
8. Where have you heard Jesus call you from the tomb, from a place of darkness? What is the community that supports you?
9. What are some of the ways we live as a community in Christ today?
10. Where do you find yourself in need of community?
