

Music 'N Me

The Music 'N Me program offers musical opportunities for infants through nine-year-olds. Early musical training benefits a child by developing areas of the brain that control speech and reasoning. Such instruments as sticks, shakers, hoops, jingles, scarves, glockenspiels, sand blocks, ribbons, and Od drums may be used during some part of the Music 'N Me lesson.

Parents attend with children except for keyboarding classes. Teacher is Michele Nelson, Music Director at Alleluia! All classes have a Christian tone. You may start the program at any time during the session and we will pro-rate the fee! Sorry, no refunds will be given after the session has begun. Address any questions to MusicNMe@alleluia.church Sibling discounts are available. Discounted registration must be paid by check and CANNOT be completed on-line.

This session runs January 8 – April 26, 2019. No classes March 26-29.
