

Music 'N Me

The Music 'N Me program offers musical opportunities for infants through nine-year-olds. Early musical training benefits a child by developing areas of the brain that control speech and reasoning. Such instruments as sticks, shakers, hoops, jingles, scarves, glockenspiels, sand blocks, ribbons, and drums may be used during some part of the Music 'N Me lesson.

Parents attend with children except for keyboarding classes. Teacher is Michele Nelson. All classes have a Christian tone. You may start the program at any time during the session and we will pro-rate the fee! Sorry, no refunds will be given after the session has begun. Address any questions to MusicNMe@alleluialutheran.org

Sibling discounts are available, however, payment MUST be by check and CANNOT be completed on-line.

This session runs Sept 4 – Nov 16, 2018.

Keyboarding runs Sept 18 – Dec 4, 2018.

Babies Music II (0-15 months)

Parent and child learn songs for rocking, bouncing, and tapping the beat and create a musical bond. The lessons encourage the type of musical play that comes naturally to children and fills them with joy!

The cost of this class includes a baby instrument bag. Online registration fee is \$141.

Multi-Age Music (0-4 years)

This class offers a multitude of musical gifts that come from various ages being together. All songs are great for each participant! Though a baby might not be able to "locomotor" during a song, another movement may take place being JUST as beneficial! Interacting within a multiple age group is beneficial to a child's creativity, impulse control, and auditory awareness to name a few. Younger children will benefit by watching the older children. The older children will benefit by being at the "head of the class" while increasing their own self-esteem! Family participation creates an extremely special bond with each other! Online registration fee is \$115.
