

Private Music Lessons

Private music instruction is a "tool" that connects the neural pathways in the brain. A new "language" is learned as these new pathways are carved. This new language leads to enhancing other academic areas in the rain. Learning to make music can be a fulfilling and valuable skill, and a wonderful way of expressing one's self.

Two 15-week sessions are available throughout the year, as well as a short summer series. Each lesson will contain 30 minutes of uninterrupted time. Fees stated below are for instruction only and do not include lesson books or other materials that may be necessary. Age requirements are up to the individual instructors.

To register, contact Program Director, Michele Nelson at MusicLessons@alleluia.church or 630-904-3311, x230. Michele can tell you what time slots remain open and help you choose the correct placement for your student. Start the program at any time during the session and we will rotate!

No refunds can be given after the session has begun. Please read make-up policy below. ***
A registration form is on the last page of this document.

Though session dates generally run the same for all instructors, occasionally an instructor may adjust his/her schedule as necessary. Please inquire regarding exact schedule for your lessons.

>>>> Keyboarding with Michele Nelson (see the Music 'n Me Program) for ages 6-10 is taught in a group/classroom setting with multiple students and each class runs 1 hour. Fall registration only. Please contact Michele for further information on availability.
