

Praises & Prayer Requests

If you have a request, please contact the office personally or write out your request on a prayer card and place in the offering plate.

Prayer/Praise:

- Special update on Hunter Seifert: (from his parents)
Hunter's cancer has spread throughout his entire body, particularly his spine. This has caused him to lose all function of his right hand and arm and the bottom portion of his lip. Walking has become very difficult. He has constant pain and sleep very difficult.
On a different note, Hunter's faith and sense of humor have never wavered. He knows EXACTLY where he is going when this journey is over! Thank you, Jesus, for that blessing!
- Pray for George & Lindell Reddington as George has been diagnosed with brain tumor and waiting on to get the test results back.

Bismarck Baptist Church February 10, 2019

We're getting back to our series on the life of one of Scripture's most notable characters. The focus is relevant to our lives for a variety of reasons, especially because of our Heavenly Father's invitation to **DEVELOP A HEART FOR HIM.**

Consider making this your prayer: *Father, guide me to increasingly give you my heart. Increase my heart's commitment to You measured in intimacy, knowledge, and submission to You. Lead my heart to embrace Your word and seek Your ways in everyday life and relationships.*
