

DEVOTIONAL

for parents

Nothing brings a family together—or stirs up some friendly drama—like a family game night! Just like in games, family life can have its own ups and downs, whether it's with our given or chosen families. In this 4-week series, kids will explore how Abraham's family navigated challenges and blessings while learning how we can care for our families, serve them well, and remember that we're all part of God's family. As they do, kids will learn that **we can believe God's promises, we can pray for our families, we can trust God to provide, and we're all welcome in God's family.**

Want to learn and grow alongside your kid as we go through this teaching series? You can! Spend a few minutes each week **studying** the passages of Scripture we'll be teaching, **praying** about what God wants to do in you and in your family, and **growing** by putting God's words into practice in your own life.
