

Couples who wish to be married at People's Church and/or by the pastors of People's Church are required to attend premarital counseling sessions. The sessions (typically 5 in total) with Pastor Spivey are typically held in our church office annex.

Pastor Spivey uses an assessment tool called Prepare/Enrich to help give couples in the gifts of awareness, understanding, and skills to assist them on a path to a healthy, life-long relationship. Prepare/Enrich illuminates insights so that time spent with couples can be focused where couples actually need help navigating.

After taking the assessment, customized report results are distributed to the couple & Pastor Spivey to enable him to guide the couple into relevant conversations about their strength areas, growth areas, and potential blind spots.

The cost for the assessment, materials, and subsequent 1 hour sessions is \$300 per couple. Upon completion of the entire class, couples will receive a certificate which will entitle them to a discount on their marriage license. In addition to the premarital sessions, the minimum fee for performing a wedding ceremony is \$200 which includes 2 hours for a rehearsal and 2 hours for the wedding.

If a couple desires for Pastor Spivey to marry them but wishes to complete pre-marital counseling with a different mentor/counselor, a certificate of completion must be provided prior to the wedding. The minimum fee for performing a wedding ceremony is \$200 which includes 2 hours for a rehearsal and 2 hours for the wedding.

You may contact Pastor Spivey to arrange these services at (863) 294-5710 or [mspivey@pcwh.org](mailto:mspivey@pcwh.org)
