

T H E S T O R Y

Assignments

This year, our confirmation class is reading "The Story." You are required to read a new chapter each week. The reading will prepare you for our class discussions. You are also required to memorize Bible verses throughout the year. All memory work will be said out loud to your small group leader at the beginning of class, so please come prepared. We read and memorize God's Story because it is our story and gives us life!

Study for Final Test	Sun, May 19

*You are responsible for the subject matter, memory work, and homework missed due to absences. Following an absence, you must recite missed memory work to your small group leader. You also must turn in any missed homework to Peter Johnson. Remember to keep reading "The Story" during an absence so you won't feel behind when you come back to class. Each lesson's PowerPoint presentation will be posted online after every class at <http://faithpenfield.org/ministries/confirmation-lessons>.
