# Classroom News

**Little Lambs** –In February, the Little Lambs will be working on a few Valentine's Day crafts. We will be making Big Room play part of our daily routine. This will help every child work on their gross motor development. Happy Valentine's Day to all! LL Teachers

**Lady Bugs** – The Ladybugs have been off to a great start! Everyone has adjusted well and it's the perfect fit for the little ones. We have been doing lots of crafts, building language skills and playing a lot! Love these little ones and can't wait for next month's festivities! Miss Julia

**Caterpillars** –This month we will be talking about love and learning about God's love for us. We will be working on individual goals and our color and light science theme. Love, Gabby & Katie

**Butterflies** – February unit will consist of Love and Hearts. Highlights for this month are: Valentine's Day, Ash Wednesday and Lent. Our main goals in the Butterfly classroom are to help the children develop the skills to function independently, to allow them to explore the environment and manipulate the objects in our environment freely. Activities are meant to stimulate activities in all areas of development. "Be completely humble and gentle, be patient, bearing with one another in love"- Ephesians 4:2. Many Blessings, Stacey and Allie

**Fireflies**-Hello Families, February is a month of hearts, love and caring. We will carry that theme over into many of our activities such as time telling, money collecting and letters will include: L, I, H. Science and Social Studies topics will be how do we fit into the classroom, family and the world. Feel free to come in with a special project or hobby to share. God bless, FF Teachers

**Good Knights**- Feb Recess for PCSD will be 19<sup>th</sup>-23<sup>rd</sup>. Please let the office know if your child will be here during that week. We have some fun things planned for the recess like, craft projects, plenty of gross motor activities and if we fill up our "good deeds" jar, we can earn a special treat/activity. God bless, GK Teachers

Did you know? FCCNS offers a Finder's Fee for referrals to our program? Word of mouth is the best policy! If you recommend a family to enroll their child(ren) on a permanent basis (minimum of 8 weeks), you will receive a \$50 credit to your account!

All families are welcome to join us Friday February 2<sup>nd</sup> from 6-8pm for a showing of Cars 3. Pizza will be sold for \$1/slice. Wear pj's, bring blankets and unwind with friends in the Community Room!
