

**PITTSBURGH '18**

# SUMMER INTERNSHIP

**AN OPPORTUNITY TO BE TRAINED, TO GROW AND TO SHARE YOUR GIFTS IN AN AMAZING CITY**

## WHAT TO EXPECT

### Training:

There will be a mixture of hands on and classroom training directed to help with evangelism, studying the bible, public speaking, discipling and event coordination. The classroom training will focus on deep conviction and theoretical applications and the hands on training will provide feedback and opportunity to apply what is covered in the classroom setting.

### Opportunity:

Here will be opportunity to help lead the campus ministry. This means owning certain responsibilities, speaking with the students and developing a culture within the ministry students that will be here for the summer.

There will also be opportunity to learn how to help with areas in the church that are not only campus oriented. This can include Sunday morning worship, teen ministry, helping to plan church outreach events. The hope is to get a full experience of what it is like to be on staff with a with a small and vibrant church.

There may be opportunities to help with the Akron planting or other nearby churches as well as serving the poor in the area and developing a culture of service within the teen ministry.

There will be a plethora of opportunity to teach and preach to the campus students as well as an opportunity to speak and share with the church. There will also be emphasis on character and the heart behind responsibilities of the ministry.

### Support:

All of the positions are self-supporting which means you will need to save some money for food and entertainment while you are here but we will provide housing. We will provide many home-cooked meals, help some with gas and try to provide as much financial alleviation as you serve. The church rises to the occasion every year to help interns feel at home during their time here.

### Culture:

Pittsburgh is really fun during the summer. There are many free things to do and park to explore. With a trip to Lake Erie and other exciting things, it really is a blast.

**INTERNSHIP DATES:  
JULY 10-31**

## WHAT WE NEED FROM YOU:

**PLEASE PROVIDE THE INFORMATION REQUESTED ON THE NEXT PAGE VIA A SEPARATE DOCUMENT BY APRIL 1 2018 AND SEND TO [JAMES.E.ROSENQUIST@GMAIL.COM](mailto:JAMES.E.ROSENQUIST@GMAIL.COM) OR [ELAINARROSENQUIST@GMAIL.COM](mailto:ELAINARROSENQUIST@GMAIL.COM)**
