

Jim Stockdale – Bio and Press Release

Jim Stockdale is President of Latin American Ministry. LAM is a mission's ministry with outreaches in many areas; one of those is Saltillo, MX where LAM has feeding centers called, **Wings of Hope**. He has recently returned from Cuba where an extension of that work is being planned for LAM. He and his wife Pamela have been married for 34 years and have two daughters, Kristen and Brittney.

Jim has been in the ministry for over 35 years as a pastor, missionary, musician, singer and songwriter. He has recorded several CD's, including two in Spanish.

Jim was forty-one years old before he began learning to speak Spanish and has since become fluent. Jim and Pam travel extensively in Latin America to oversee the works they have started there. He flies his own plane and does what the motto of Wings of Hope says – “Putting hunger to flight.” With a love for God, for souls, and doing what God has called them to do, they have fed and blessed many physically and spiritually hungry people.

One of Jim's favorite ministry opportunities is presenting the book of James as a drama. Armed with only his staff and in full costume, Jim quotes the entire book of James in Spanish. This presentation has touched thousands and brought many to salvation, deliverance and healing.

Jim currently resides in Dover, TN with wife Pam.
