ONLINE CONNECTION CARD

As you relax, we wanted to point out that on our website we have a link for our [online connection card](#). It's a great way to let us know you visited our church & to let us know what you think. You can also use it to ask questions, request info about our various ministries, & request to be added to our weekly all church email list. If this is your first time connecting with us please know we won't give out your information to anyone, however as a way of saying thanks, we will donate \$5 in your name, to Living Water International. Which is an organization that provides clean water to those in need.

ONLINE PRAYER AVAILABLE

We believe prayer is a central faith practice & as a result, each week, our prayer team is available to pray with anyone who would like it. This is for 1st time guests, long time members, those following Christ, or seeking, & kids too. Whatever it is you're carrying; we have people who want to join you in bringing it before God. While our service is live all you have to do is click the REQUEST PRAYER button. This will automatically create a private prayer chat lime with our prayer team members who are ready to pray with & for you in the order in which it was received.

COMMUNION

We make space for communion every week to remember the incarnation of Jesus Christ & what he did on the cross for each of us. As we take the bread & dip it into the cup we remember God's unconditional love & forgiveness. During this pandemic we are taking this together from the comfort of your own home. So grab something to use that symbolizes the bread & the cup to use for this time. Whatever your age, whether this is your first time or you're a member, whether or not you feel like you deserve it: the table is open to EVERYONE.

CHILDREN & YOUTH ONLINE RESOURCES

After the main worship set today we will take a short 3-minute break. This is a great time to get any of your kids prepared for their learning experience. Our website has a link to this week's children & youth resources. These include age specific videos, lessons, activities, & more all geared to help you kids grow in following Jesus, loving people, & serving our city. Just click the [CHILDREN & YOUTH TAB](#)

NOTES & BIBLE APP

Along with our chat line & live prayer app we have two other resources we highly recommend you using during our service. One is the notes section. This is great for jotting down quotes, verses, questions, or anything else that sticks out to you during our time together. The other is our Bible App. It's a great tool to use for looking up any of the scriptures we are looking at during our teaching time. Enjoy.

ONLINE GIVING

We can't do the ministry God calls us to without the faithful consistent giving of our OneLife friends & family. Especially during this time giving online is the best way to support all things OneLife. To find our easy-to-use online giving page [CLICK HERE](#) or use the "give tab" on our website.

LENTEN SERMON SERIES - "GOD IS NOT"

We are excited to begin our Lenten sermon series entitled "GOD IS NOT." Often times, when we are going through a challenging time, like a journey we find ourselves questioning things. This series will be a time where we deconstruct some of the false ways we've thought of God in order to better understand who God is. Some of the topics will include God is Not only male, God is not scripted, God is not a divine vending machine, & God is not mad at you. Invite a friend & join us starting next week!

MIDWEEK LENTEN PRAYER STARTING FEB. 24TH

Starting this Wednesday, February 24th at 7pm we will be having a weekly midweek Lenten prayer time via Zoom. Each week we will be doing a guided prayer time connected to the various themes of the journey of the cross. Look for the All Church email with the details & links.

CONNECT WITH A WINTER SMALL GROUP

This winter we are continuing with many of our core groups, neighborhood care groups, and other ways to connect. These groups have historically been one of the best ways to connect outside of Sunday's and especially so when Sundays are all remote. If you are interested in finding out more about one of these groups or are looking for some ways to be more connected contact Greg Di Loreto at greg.diloreto@gmail.com.

MIDWEEK COFFEE MEETING AT CAFE JAVASTI WITH PASTOR GREG DI LORETO

One way we can connect is to go sit outside in the open space next to Cafe Javasti! Greg Di Loreto will be there Wednesday mornings from 8:30-9:30 rain or shine. There is limited seating, but you could also bring a camping chair, umbrella, etc. We will be social distanced and outside.

ONLINE HOSTS NEEDED

We are looking for online hosts to help make our online platform more effective at fostering community & helping people connect with all things OneLife. Quick & easy training available.
