

Week 1 - To Be Blessed - Mid-week Activity

We stated in the activity that in God's kingdom, there is enough. Jesus talked about how God's kingdom is both here and now, and not yet. Maybe when you read "there is enough...", you thought, "Hmmm. No there isn't." Explore what you think there isn't enough of? Food? Money? Jobs? Housing? Water? Time? Why might it feel like there isn't enough? Do a little exploring and research about any of these resources to find out if there is true scarcity or if there really is plenty, but something is keeping the plenty from getting to everyone.
