

ABMR Fellowship Award

Due January 15, 2020

Academy of Behavioral Medicine Presents the 2020 Annual Conference: *"Optimal Longevity: Mechanisms, health disparities, and increasing healthspan"*. This award is for Early Career Investigators to attend the 4 day event in Scotts Valley, CA.

The Early Stage Investigator award includes:

- Full accommodations and meals for 4 nights at 1440 Multiversity June 24th-28th, 2020
- Free registration
- \$500 towards travel

Seeking early career investigators (typically Assistant Professor rank, ideally with a K award, or first R01) especially from underrepresented groups, with interests in behavioral medicine and aging research.

TO APPLY:

Please send the below in one PDF to

Elena.Fromer@ucsf.edu

1. Cover Letter Stating Interest (1 page max)
2. Curriculum Vitae
3. One letter of support from a senior faculty colleague
