Prayer Requests This Week

Catherine Prosser...Melody Mullen's Niece who has been diagnosed with bowel cancer. Her family is trusting the Lord for a miracle!

Fernand Gallant: A cousin to Shirley Muir, Fernand is battling serious health issues. Please pray for complete healing.

Gerald Piers: Pauline Carson's brother-in-law who is battling brain cancer. He has now undergone three surgeries within a month and is starting his recovery from these. We are continuing to pray for complete healing.

David Leaman: David has asked that we pray for him for healing and encouragement.

Joan Stewart & her Daughters: Joan is experiencing serious health issues & is undergoing tests in hospital. She is also asking prayer for both of her daughters plus a friend who are all experiencing serious health issues. Please pray for complete healing!

Frank & Shirley Muir's Son: Please keep Frank & Shirley's son, David in prayer as he deals with health issues. We are praying that God will surround him with "peace that passes all human understanding" as well as complete healing!

Tammy Symons Step-Father: Diagnosed with prostate cancer. We are asking God to completely heal him.

Tracey – a Friend of Sue Tudor's: Tracey has been diagnosed with liver cancer. Treatment options are still being investigated. We are asking God to surround her and her family with peace, strength for every day and complete healing!

Please note, in an effort to keep our prayer list current, we will keep names on the list for eight weeks, at which point they will automatically be removed. If you wish to have them put back on the list, please contact the church office. If God has answered prayer, we would appreciate you letting us know so we can include a praise report!
