New Testament Survey In YBF Our senior high Sunday morning class recently began our study of the New Testament. In this course, we are going through every book of the NT using the visual overview videos and posters created by the Bible Project as well additional materials. Most Christian adults, let alone teens, do not have even a basic understanding of these 27 books. Our aim is to provide teens with the resources to gain functional familiarity with the NT in order to provide a foundation for lifelong growth.

Sunday School Teacher Spotlight

We love our Sunday school teachers!

Jennifer Langley teaches Grades 1 & 2

What do you love about teaching SS?

I love teaching children the Word of God and making Truth understandable and relevant in their young lives.

Two of my main objectives each week are:

- to make Sunday morning a highlight of the children's week and
- to teach a Bible verse that supports the Bible truth taught that day.

Share a meaningful Bible verse:

-A favorite Bible verse is Deuteronomy 32:3,4

Favorite activity:

-I love to swim and ride my bike.
