Because You Asked... Have you ever heard a piece on the organ that sounded familiar, or one you loved and wished you knew the name of? Now that information is easy to find. This QR code links to a list of the organ music played in each service. Simply scan it with your phone's camera, select the date of the service, and view the titles of the musical pieces played on the organ. We hope this helps you further enjoy and reflect on the music shared in worship.
