Because You Asked... Have you ever heard a piece on the organ that sounded familiar, or one you loved and wished you knew the name of? Now that information is easy to find. This QR code links to a list of the organ music played in each service. Simply scan it with your phone's camera, select the date of the service, and view the titles of the musical pieces played on the organ. We hope this helps you further enjoy and reflect on the music shared in worship.

Israel Tour Meeting The news from those on the ground in Israel today is that life has returned to normal. All of the historical and religious sites that we will be visiting have been open for quite some time now and there is no indication that the current conflict between the US and Iran will be affecting that status. All that to say, the plan to visit Israel this November is still a "go". Information about the tour is in the church office and in the lobby. We will have another meeting about the tour on Thursday, June 25 in the Parlor at 6:00pm. If you have questions about the tour before we meet or if you want to join but can't make the meeting please contact Pastor Mike at mikeccc@me.com or 847-217-2143.

Construction Help Needed We are expanding the Men's bathroom adjacent to the sanctuary lobby located in the current coat room. If you can help us out as a General Contractor taking on the whole project, or just a part as a professional Plumber, Builder for walls, Tile layer or Electrician, please notify Ed Spohr at espohr@ccczion.org of your desire to be included in the process. Our hope is to start work in September.

Child Dedication Service Parent-Child dedication will take place on Father's Day, June 21. If you are interested in participating, please let Pastor Jon know ASAP. You can use a pew response card or email jwziarde@ccczion.org.

Sunday School Teacher Spotlight

We love our Sunday school teachers!

Jennifer Langley teaches Grades 1 & 2

What do you love about teaching SS?

I love teaching children the Word of God and making Truth understandable and relevant in their young lives.

Two of my main objectives each week are:

- to make Sunday morning a highlight of the children's week and
- to teach a Bible verse that supports the Bible truth taught that day.

Share a meaningful Bible verse:

- A favorite Bible verse is Deuteronomy 32:3,4

Favorite activity:

- I love to swim and ride my bike.
