**Because You Asked...** Have you ever heard a piece on the organ that sounded familiar, or one you loved and wished you knew the name of? Now that information is easy to find. This QR code links to a list of the organ music played in each service. Simply scan it with your phone's camera, select the date of the service, and view the titles of the musical pieces played on the organ. We hope this helps you further enjoy and reflect on the music shared in worship.

### Sunday School Teacher Spotlight

We love our Sunday school teachers!

**Kim Vela assists in the 2-year and 3-year Sunday school class**

#### What do you love about teaching Sunday School?

There are many things I love about the two year old classroom but just to name one – I love to see the children's facial expressions and reactions to every Bible story.

#### Share a meaningful Bible story.

I am thankful for the story about Peter walking on water. Great reminder to stay focused on Jesus.

#### Favorite Book:

My favorite book is The Bible but besides the books in the Bible, my favorite book is *The Hiding Place*.
