

Dr. Danielle Katz Squires

Dr. Squires was born and raised in Miami and, in fact, was once a Kings Bay Pediatrics patient! Dr. Squires attended Ransom Everglades High School in Coconut Grove and went on to study Biological Basis of Behavior at the University of Pennsylvania, where she graduated with honors. Dr. Squires studied medicine at the University of Miami Miller School of Medicine with a focus in pediatrics, preventative care, child advocacy, and adolescent medicine. Dr.

Squires served as the president of the University of Miami Pediatrics Interest Group and was the recipient of the Florida Pediatric Society Warren Quillian Award for excellence in Pediatrics. After completing medical school, Dr. Squires trained in pediatrics at Jackson Memorial Hospital. She is thrilled to return to Kings Bay Pediatrics as a pediatrician, as well as the social media director, and looks forward to working with all of the patients and families.

Dr. Squires is married and lives in Pinecrest, Florida. She enjoys creative writing, reading, skiing, traveling, and spending time with her family.
