## LENS

As we settle into Ordinary Time in our church calendar, the “ordered” weeks of the year, we will hear about the journeys of Jesus and the great works he did. It seems appropriate that after celebrating Easter and the great Solemnities of the Holy Trinity and Most Holy Body and Blood of Christ, we now hear about how Jesus sends his disciples out to carry on the work he has begun. That is where you and I come in. Each of us has a “mission” in life, perhaps more than one. It is our goal, through prayer and the guidance of the Holy Spirit, to discover what it is and to work on accomplishing it. Our mission in life may be different than our job or career, though they may be related. Even in retirement, this mission continues, though perhaps in a new sense. Jesus tells us that the harvest is abundant, yet the laborers are few. This does not just apply to religious vocations. It pertains to each and every one of us. There is much work to do. Keep in mind that this work may be in the form of prayer. After all, prayer is one of the most powerful tools we possess, one without which other endeavors may not be possible.

Saint Peter parishioners are remarkably generous. Sharing a portion of our income with the Church is a sign everything belongs to God and we dedicate our "first fruits" to the work of the kingdom of Christ. Thank you so much for your faith and generosity.

**Strategic Planning Survey**

Please take a moment to review the insert in the bulletin this weekend. To continue with improving our parish, we need to know what is going well and what could use some change. We will be using this feedback to determine how we will use our resources over the next several years. Please complete and return the survey to church next weekend, or at the latest by the end of this month. Thanks for taking the time to assist us and for being sincere with your comments.
