Ken's

In today's Gospel we hear the Parable of the Sower. Jesus compares us to many things as part of his parables and teachings, from sheep to seeds, in this story. However, as a seed does not grow on its own without proper nourishment, neither do we. In fact, his example has us as the seed receiving the Word of God. It is when we fully acknowledge, receive and accept the Word that we become firmly planted and grow. The analogy works quite well. How often have we been hard as rock, anxious with the situation around us, or preoccupied with making sure we have enough of whatever it is we think we need? If only we immerse ourselves in all that the Lord offers us through the Eucharist, Adoration, Reconciliation, Scripture, Prayer, etc. When it comes down to it, the Lord is the only one that can truly bring us happiness, satisfaction, and peace. Perhaps the life of a seed has a lot to teach us.
