Our next meeting is this Wednesday, August 6 at 6:30pm in the meeting room at church. We will be finalizing the Parish Picnic. All men of the parish are welcome.

Truck Show Parking

A bonus for the parish this year is an additional opportunity to raise money by parking cars for the upcoming truck show being held in town on Saturday, August 30 from 9:00am to 4:00pm. Like with the car show, we will need volunteers to accept donations and help park cars at the church for those attending the event. This is another excellent opportunity to build community while helping raise dollars for the parish. A sign-up sheet is located at the entrance of the church.

"Equipped for Every Good Work"

Did God dictate every word of the Bible like a heavenly secretary? Or is it just a collection of ancient human writings with no divine message? The truth is far more meaningful—and more beautiful. The Bible is both fully the Word of God and truly the work of human authors. God speaks through human history, language, and experience to reveal Himself and guide us to salvation. If you've ever wondered how God communicates with us, how Scripture came to be, or how we can trust its authority today, join us on August 19th at 9:00 AM in the meeting room. We'll explore what Vatican II's Dei Verbum teaches about Divine Revelation—and why it matters for your faith today.

We still have openings for Mass intentions for the remainder of the year. If you were not able to schedule all of the intentions earlier in the year and would like to do so, please contact Linda at the parish office.

The work that goes into obtaining treasure can be worthwhile if we are seeking treasures with the proper values. Not all valuable treasures have any significant monetary value. A sticker or shiny stone given to a child by a friend or family member may be cherished for days, weeks or even months. A card sent to us in time of need may be held on to for years. Yet so often we look at our treasures in terms of financial worth. What kind of treasure do we spend time working for? Beyond necessities, what else do I seek? Do I seek peace, understanding, and the good of others? How do I share the love of God with others? It will be different for each of us. We sometimes get the idea that material wealth is bad. Material goods can be used to help others. It is the love of money and other material things that can get us into trouble and distract us from serving God through others. How do I use my treasures and what kind of treasure am I still seeking?

Parish Picnic

Our annual Parish Picnic will take place next Sunday, August 10 from 2 – 6pm at the Riverside Park Pavilion. The site is located near the ball fields on Wally Road. The parking area can be accessed off Birch Drive. A cornhole tournament and games for the children will begin around 2:30pm with dinner to be served around 3:30pm. Bingo with prizes and giveaways will be happening after dinner. Come early and plan to stay all afternoon. The parish will provide meat and drinks. Parishioners are asked to bring a side dish (salad or dessert) to share.

Thank You!

Saint Peter parishioners are remarkably generous. Sharing a portion of our income with the Church is a sign everything belongs to God and we dedicate our "first fruits" to the work of the kingdom of Christ. Thank you so much for your faith and generosity.

TREASURES FROM OUR TRADITION

Apart from the period from Thanksgiving through Christmas, the summer is a favored time for family reunions. We trace family trees and recall our origins. Worship has a family tree as well, and the way we celebrate today has been influenced by various styles and customs through the centuries. We are Western Christians of the Latin Rite. By far, we are the most numerous Western Christians, but there are other ritual families as well. The Archdiocese of Milan in Italy follows the Ambrosian Rite, Toledo in Spain preserves the Mozarabic Rite and the Arab language, and Lyons in France is home to the Gallican Rite. Other liturgical families, such as the Celtic in Ireland and the Sarum in England, faded away after the Reformation. Until recent times, members of some ancient religious orders such as Carmelites and Trappists followed a pattern of Mass that varied slightly from the plan observed in Latin Rite parishes.

Isn't the Catholic Church the same everywhere? Not at all. It never has been! The existence of so many liturgical families in the West reminds us that unity, not uniformity, is what the Church seeks to achieve among her children. We are united in faith, but wonderfully diverse in rituals, ceremonies, languages, customs, and spirituality.
