### Cemetery Rules and Regulations for Decorating Graves During the Mowing Season

The cemetery's policy for decorations on places of interment are as follows:

1. No shepherd hooks, metal rods, lawn ornaments, or wires are to be placed on or about the graves. (This includes, but is not limited to wire easels, solar powered garden stakes, statues, etc.)
2. No evergreens, shrubs, or trees may be planted in the cemetery.
3. No perennials may be planted in the cemetery.
4. No marble chips, stones, wood chips, bricks, lucky stones, or any other landscaping material may be used to establish a border or "garden" next to or in front of a monument or marker.
5. All glass and ceramic decorations are prohibited.
6. Any decoration which includes a flame is prohibited.
7. Annual flowers may be planted, but no more than 12 inches from the front (west facing side) of the stone. Any plantings deemed by the Cemetery as having been left unmaintained by the family members will be removed and seeded with grass.
8. No ground containers or flower pots are to be used during the growing season, including plastic flower "vases" that stick into the ground. Urns may be placed next to a stone, provided that a leveled patio stone is placed beneath the urn.
9. Spring and summer decorations and annual plantings must be removed by October 31.

If you are in doubt of an item you wish to place on a marker, please contact the parish office for approval.

#### Removal of Items:

All items deemed by the cemetery to be in violation of the rules and regulations will be removed and discarded. The Cemetery is not responsible for any item placed on or removed from a place of interment.

### THE MASTER STORYTELLER

In today's Gospel, Jesus is presented to us as the master storyteller. He loved to use parables as a tool for comparing one thing to something else. In most of his parables, Jesus revealed who God is by comparing God's essence or actions with something familiar to his listeners. In the parable of the mustard seed, Jesus proclaims a marvelous and irrefutable truth. His small band of disciples, as insignificant as they may have felt, would one day produce a mighty kingdom whose growth was initiated by God. The seeds of this kingdom were planted by God and it is God who will harvest the fruit brought forth from those seeds. The extent of the growth of God's kingdom cannot be predicted. We must trust the work of the Master's hand as we, the mustard plant, grow and grow.

### CHM RECRUITMENT DRIVE

**Community Help Mission** is seeking a few steadfast volunteers for our office. We are open 1-3 pm on Fridays. Our volunteers work as little as two hours per month or as many as eight hours per month if they wish.

We invented a user-friendly workbook for staff to help people develop budgets, as well as a Resource Directory to help identify specialized services—The Rascal Squad for low cost spay and neuter, the Bail Bondsman, food pantries, etc. And our friendly staff will be here to help you learn to navigate these tools.

We are especially interested in finding a nurse. Many of our clients—especially our dear Seniors—experience financial issues driven by medical issues. They are often a little confused about their circumstances. A nurse can help us separated fact from fiction, so to speak, so we can identify the most helpful resources.

We are also seeking one special person to assist with GRANT WRITING. No experience is necessary for this position as our current Grant Writer will train you.

You would be starting with local grants, which are relatively simple. The grant maker sends a questionnaire, and the grant writer answers the questions.

This person must have a secure computer to ensure confidential submission of proprietary information. The person must have a good command of language and grammar and be able to articulate ideas clearly.

We would want this person to spend two hours a month or more in our office to get the feel of who we are.

If you might be interested in joining the intrepid group of people known as The Community Help Mission Volunteers, call Director Diane Geiselman at (419) 685-4991.
