Welcome to First Baptist!

This morning, we conclude our sermon series *The Way We Worship*. The final message is taken from Isaiah 6:1-13 and is titled *A Glimpse of the Eternal King*. This text gives us a view of the Almighty God that we worship. As you will see from the passage, there is no one like our God. He truly deserves our total devotion.

Tonight, the message will be *Making Sense of Our Suffering*. We will be particularly focused on Christian persecution. This is an important subject because of the increase of religious persecution around the world and even in the United States. I am confident that this sermon will be an encouragement to you. I look forward to our time together.

Blessings,
Pastor Don
