

## LIFE Group Covenant

As members of the San Gabriel LIFE Group led by James Mark, we agree to work together to build each other up towards maturity in Christ. To that end we will:

1. Make a real priority of our meetings, save for illness, unavoidable work commitments, or holidays. If we cannot make it, we will contact James explaining why. We will be punctual so that we can begin our LIFE Group meetings on time.
2. Treat one another with respect, as brothers and sisters in Christ. We will honor confidences, put one another's needs above our own, nurture an atmosphere of grace and acceptance, support each other in prayer, be encouraging, aim to become vulnerable and open with one another, seek to nurture relationships of trust, and aim to please the Lord in all we say and do.
3. Strive to learn, know, and apply God's Word more and more. We will place a high priority on the Bible, seek its solutions to the trials and temptations of life, and submit to its authority as God's very words to us, His children.
4. See our LIFE Group as a means of both discipleship and evangelism: discipleship as we grow to trust and treasure Jesus more, and evangelism as we seek to invite the unchurched and dechurched to a LIFE Group.
5. Believe that our Sovereign God has brought our LIFE Group together for His glory and our good.
