

General Club Guidelines

The following guidelines are designed to ensure the **safety and security** of each child as well as to **create a positive environment for learning and building quality friendships.**

Please read these guidelines and review them with your clubber.

- Clubber and leaders are encouraged to be in AWANA uniform.
- Clubbers are expected to bring their Bibles and handbooks to each club night. **No toys or electronic devices.**
- Clubbers are expected to use only kind speech and treat each other the way they would like to be treated. No rough play.
- Leaders and clubbers are expected to respect each other.
- All are to respect church property.
- After completing their entrance booklets, parents/guardians are expected and encouraged to obtain uniforms and handbooks needed for clubbers to continue to participate in club. **Financial help is available if needed.**
- Awana encourages regular club, Sunday school, and Church attendance.
- It may be necessary during handbook time to limit the number of sections a clubber may say at one time, allowing all clubbers to have an opportunity to say sections. Our goal is to allow each Sparks and T & T clubber to say 3 sections per club night. Best to pre-complete sections at home.
- Clubbers who are not in uniform must wait until they are in uniform to receive uniform awards.
- FBC AWANA club strives to be a club that is committed to following AWANA Clubs Ten Standards of Excellence for AWANA Children's Clubs as outlined by AWANA Clubs International on their official website: www.awana.org
