PASTOR SEARCH COMMITTEE UPDATE:

The committee has conducted four initial interviews via zoom calls with applicants in the past two weeks. We have been encouraged by our first steps as we spend time talking with them.

We are continuing to seek potential candidates for our next pastor. The job listing has been posted in multiple locations. We have reached out to several people who have a network of pastor connections. Dr. David Sapp is serving as a wonderful guide for us, also. This time is definitely a season of waiting and praying.

William Vanderbloemen writes in his book Search, "Every church faces leadership changes. Finding your church's pastor is as serious as an organ transplant. You need a pastor that matches your church's vision, culture, and most importantly, your church's heart. There is no magic formula for planning a seamless pastor search process." Join us as we ask God to lead us to the pastor we need at First Baptist.

Thank you for your continued prayers, support and patience as we go through this process.

thank you

Thank you so much for your generosity during teacher appreciation week. All of the teachers enjoyed the bucket of treats! We value all of the generosity your church has shown us over the years!
Love, Commerce Middle School
