

STEWARDSHIP for 2027

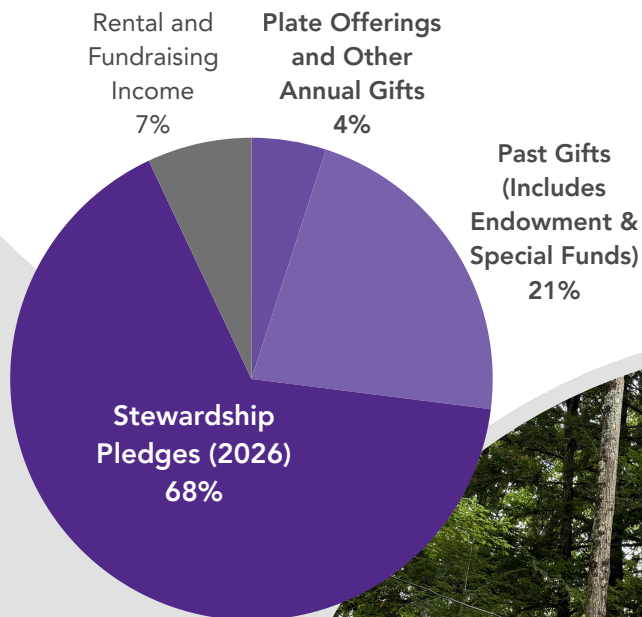

giving thanks

Our Budget

WHERE DOES OUR ANNUAL BUDGET COME FROM?

93% of our budget
comes from us!

OUR BUDGET IS FUNDED BY EACH OF US AND ALL OF US.

STEWARDSHIP SUNDAY IS OCTOBER 25TH.

Making your pledge on or before this date will help us to plan our budget for 2027.

What is Stewardship?

Stewardship is the careful and responsible management of something entrusted to one's care. As Christians, we are entrusted to care for our neighbors as we care for ourselves. As members of this church, we are entrusted to contribute our resources to the care of this faith community, including our financial resources.

What is pledging?

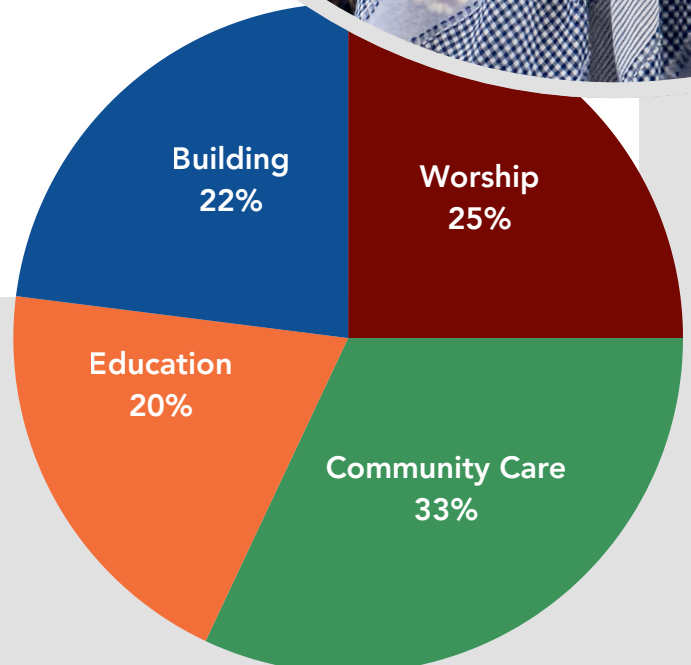

A pledge is a promise that you will support the church financially throughout the year. It is a good faith estimate of the dollars that you will be able to contribute to the mission of the church over the next calendar year.

Why is pledging important?

We ask you to make a pledge to support the many things you love about this church, including our staff and ministries, our church's outreach and programs, and our building.

OUR GOAL THIS YEAR IS TO RAISE \$533,000, WHICH IS A 3% INCREASE OVER 2026.

Where do your pledge dollars go? Read ahead for more information on how your dollars support worship, community care, education, and our building.

At the center of our life together is the joy of communal worship. Our worship budget supports the dedicated service of all of our staff who inspire us to experience God's presence together.

"Our Sunday services, sermons, and music have been an important part of our lives for more than 53 years. Always inspiring and thoughtful, the sermons have had a growing impact in recent years. Our pastors challenge us with prophetic sermons, at times when this is much needed. Church members are deeply committed to serving the needs of our neighbors...locally and beyond our county and state. Thank you, Church!"

Driven by our mission to live as Jesus taught, our church is deeply committed to loving our neighbors as ourselves. Our budget directly reflects this promise to strengthen relationships and share God's love, supporting one another, our neighbors down the street, and across the globe.

"It takes a tremendous amount of effort to care for us and our kids and we feel that as parents when we come to church and [to the parent] play dates. We feel seen and cared for! I also loved that the church put our meal train on after our twins— it really shows they want the whole church to be involved in welcoming new families and new family members."

Christian education is a priority of our church family, and our budget reflects this commitment to lifelong faith formation. As an intergenerational community, we are proud to invest in one another as we deepen our faith and strengthen our relationships.

"Belonging to the UCC has been a wonderful thing to experience as a growing kid. This place is not just a church but a nurturing and expansive community as well. I've made many connections here at church that have changed my life for the better. The people here do great work and continue to teach others the same. I am well aware of how amazingly lucky I am to get to call myself a member."

For 217 years, our historic Meeting House has stood as an iconic Middlebury landmark and sanctuary. Today, we are called to be the stewards of this sacred space and its addition, and our operating budget reflects our intentional support.

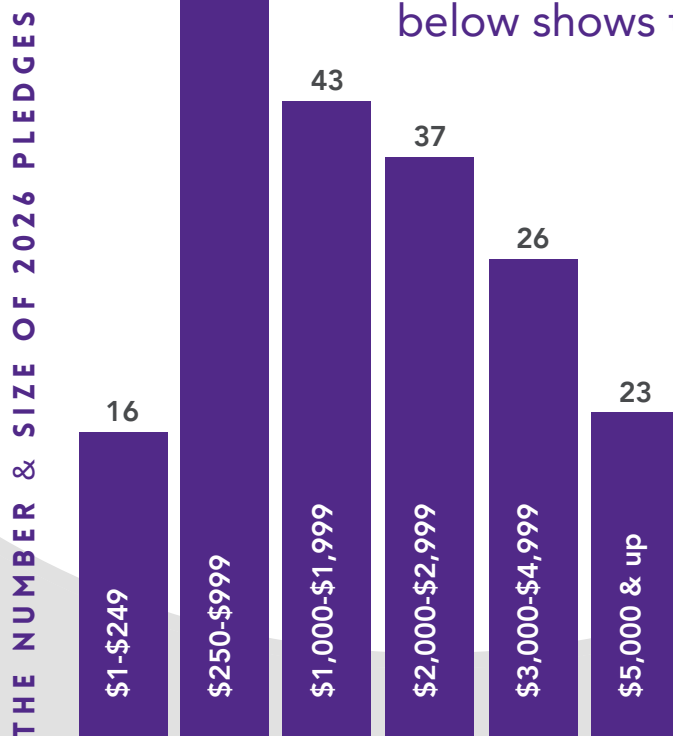

"Our church building is a beacon in our community. It serves as a place of worship, welcomes community events, hosts a child care center and provides space for Friday night suppers, among other uses. For these endeavors to succeed, the building needs to be well maintained to serve our members' needs as well as our wider mission. Many hands have provided the stewardship that has allowed it to flourish for more than two centuries; we must continue that effort so that our church shines brightly for generations to come."
~ Dorothy Douglas, Member since 1968
