

## CALLED TO REACH SOULS IN AMERICAN SAMOA

**Hello Pastors, Churches, and Friends**

What a fun Summer it has been so far! We have been in churches in northern Ohio, Pennsylvania, Georgia, and Alabama. Our family got the chance to go to church camp with our home church, and what a great week we had. Praise God 4 souls were saved on the first night of camp, and many decisions were made for the Lord. Also, we got to participate and help with one of our supporting churches' vacation bible school. It was a refreshing month for our ministry!

**Partnering Churches and Support**

We are so excited to share that 5 churches voted to partner with us this month! God has truly blessed and encouraged us along the way. Our support level has now reached 70%. We give all the praise to Jesus.

**Family Update**

This 4<sup>th</sup> of July we got to be home and spend it with both sides of our family. The kids enjoyed being with their cousins. Please continue to pray for our safety and health.

Thank you for your faithful prayers and support!

**The Smith Family****PRAISES**
