

Dear Praying Friends,

September/October 2025

I hope this letter finds you all doing well. Its hard to believe that we are already into November. As I look back upon this past year, I thank the Lord for His blessings, as well as the strength He has given through the trials. September stayed busy with several meetings in Ohio and Pennsylvania. Some of the meetings were with current supporting churches, and it was a wonderful to be part of their missions conferences and fellowship with them again. The Lord also gave me a few opportunities to fill pulpit in September at my home church, as well as Southside Baptist Church in Erie, Pennsylvania.

October continued in the same way, with more meetings In Ohio and Pennsylvania. I had the opportunity to drive Southside Baptist Church's youth group to a conference. The speaker at the conference is a pastor of a church in Virginia, with whom I was able to schedule a meeting in November. This will be my first meeting in Virginia. I am so grateful for the Lord giving new opportunities to present the ministry in new areas.

One great blessing is that the Lord brought in support through two more churches. I now have 73% promised support. It has been a blessing to see the Lord bring in so much of my current support over the last year and six months since starting full-time deputation. In the coming months, I have a couple meetings in Virginia, and will be traveling in December to Georgia to meet with Jim Sloan again. Please be in prayer for safe travels, as well as the possibility to secure meetings at a couple of deaf churches in the area. I would love to be able to share my burden at these churches.

With many great opportunities ahead in the coming months, I cannot thank you enough for your prayers and support. It has been very exciting to see the Lord work in such wonderful ways. I hope all of you have a wonderful thanksgiving.

Zoti ju bekoftë të gjithëve! God bless you all!

In Christ,

Jordan Smith
