

The Whitecars Church planters to the City of Chicago

AND OF SOME HAVE COMPASSION, MAKING A DIFFERENCE. JUDE 22

Dear Friends,

There is JOY in serving Jesus! The Lord has allowed us to travel tens of thousands of miles to present both our burden and future ministry in the city of Chicago. Praise the Lord, we have right about 30% promised of what we believe we will need "support wise." God has supplied our needs in wonderful ways. Thank you to all those who have been part of that.

In the middle of our travels, we were able to be stationed in Pocatello for both the VBS and Youth Camp at Mountain Valley Baptist Church. A very large perk is that our son, Elijah, and Sairah had their second child while we were there. Lawson Roger was born on Father's Day, June 15th!

Our VBS theme was a jungle theme. More importantly, we had several new students attend, with a total of about 75 who attended. There is a family that has continued to attend church since that time and even sent their young teenage daughter to the teen camp about a month later. An extremely precious outcome was a young man who received Christ as his Savior on the Sunday after VBS. His grandparents faithfully bring Grayson to all of the services. He has been inquiring for many months. When he wanted to talk to Pastor Elijah, it was very apparent that he just "had" to get saved!

Camp had an extremely good spirit this year. Pastor Dave Brady preached, along with many other of us. The theme was staying on the Old Paths, but a more prominent theme rang through with an emphasis on purity, thought life, and keeping yourself clean before God. It was a blessing to see so many of the teens solidifying very important decisions in their lives.

We just signed for both an apartment and storage unit to be based more out of Chicago now. Please continue to pray for us as we put thousands of miles on the deputation trail. God has been so merciful to us, and we do not take it for granted.

Sincerely,
Don Whitecar
