

**Sunday, August 16**

We're collecting supplies to give away to children as they get ready for school.

Items can be brought to church and placed in the bins in the lobby. Some ideas to donate: 2 pocket folders, filler paper, wide ruled spiral notebooks, mechanical pencils, markers, crayons, pencil pouches, pens, rulers, backpacks, and more.

This year will be a unique year. Join us as we pray for our students and school employees as they go into this new school year. God is in control. We pray their faith will stay strong as they continue to trust in Him. He has not changed—He is the same, unchanging God walking with us.

*While remodeling is going on, the tract rack is off the wall. But you can still refill your tract stash! You will find some on the table in the hallway.*
