

The Whitecars Church planters to the City of Chicago

AND OF SOME HAVE COMPASSION, MAKING A DIFFERENCE. JUDE 22

Dear Friends,

Be Encouraged! That phrase, "Be Encouraged," has been prominent in our minds in the last few weeks. Approximately a month ago, we were wondering how we were going to be able to just make basic payments for our travel needs, let alone have enough support promised by our desired church "start" date of October 2026. God has never let us down, so we were not wondering "if" He was going to take care of us, but definitely "how" He would make it happen. Within a few days, God supplied for our immediate needs, and promises for our monthly support reached a point that we have moved our start-up date to June 2026. We still need to raise a good bit of support, but we are encouraged to know that God wants souls in Chicago to hear the Gospel before October!

We are encouraged with what God is doing at Mountain Valley Baptist Church. The church and its people were holding their own, but with the tragedy of Charlie Kirk's assassination, it has awakened the need for one's eternity in so many lives. Pastor Elijah has had the opportunity to share the Gospel with many people both in Pocatello and abroad because of his past employment by Charlie. Elijah asked me to speak at our Harvest Sunday on September 21st. It was clearly evident that God had already been stirring in people's hearts. It was exciting to preach to an auditorium full of people who were yearning to hear the Gospel. MVBC broke a record with 203 in attendance! More importantly, twelve people walked the aisle to learn more about Salvation. Five of those twelve were ready to accept Jesus Christ as their Only way to Heaven. Praise God! And, Be Encouraged!

We have been Encouraged to visit churches all over the country and see that each individual organism is working hard to reach souls for Christ and looking for avenues to reach even more for His Glory! Be Encouraged to continue to find "truth seekers," before the devil snatches them into religions that are "almost" true and totally false. Our world might feel in turmoil at this time, but it is ripe unto harvest. I pray that we all stay on course to the Great Commission and "be ready always to give an answer to every man..."

Sincerely,
Don Whitecar
