

ARCHERY MODULE

FOR TEACHERS

SNAP SHOT

The Archery Module focuses on developing teamwork, communication skills, and critical thinking through a combination of individual and small group learning experiences. Students will be introduced to the fundamentals and safety of archery, and will participate in a collaborative group activity.

BIG IDEA

Participating in outdoor archery and small group activities requires communication, teamwork, and collaboration.

CORE COMPETENCIES

- Critical Thinking
- Creative Thinking
- Communication (Collaborating and Communicating)
- Personal/Social Responsibility

LEARNING TARGETS

1. Students will develop the physical and mental skills to effectively shoot a bow and arrow.
2. Students will know the safety measures applicable to archery.
3. Students will demonstrate teamwork, and value the contributions of their peers.
4. Students will analyze and observe their memorization skills.
5. Students will verbally exchange ideas and information.

GUIDING QUESTIONS

1. How do we effectively shoot a bow and arrow?
2. What do I need to know about archery safety?
3. How can I work with my peers to complete the task?
4. What helps me remember information?
5. What is the most effective way to exchange information and ideas?
