The Complete Guide to

# ACCELERATE

31 DAYS OF PRAYER

## 2019 *Accelerate* Prayer Guide

The following Prayer Guide is categorized by Central’s four values. Use the statements as a ‘prayer starter’ for each day of the month as you ask God to accelerate these areas of your life. Read the supporting verse(s) to build your faith upon His Word in this area. Though the statements are written from a ‘first person’ perspective, be led by the Holy Spirit to pray over yourself, your family AND our church family.

Example from Day 7, which states, “Teach me to be radical in my giving to You, to the poor, and to local and world missions.”

You might pray something like this,

*“Father, I really do want to be generous, so I ask that you show me in Your Word how be radical in my giving to you, to the poor and to missions. I pray that you teach this to my children/grandchildren/family members so that we as a family would be known for our generosity. Lord, I also ask that our entire church family would be generous, and radical, in our giving to you, to the poor and to missions. Let our church make a tangible difference for Your Kingdom because of our giving. In Jesus name, Amen.”*
