Thank you!

We are off to an amazing start! I have seen your children grow as preschoolers already in such a short time! What wonderful children you have. Thank you for getting snacks in, returning your child's All About Me homework sheet, and having your child ready to learn. As always, let me know if you have any questions.

Jesus Time

Joseph's Father and Brothers

Jacob had 12 sons, but loved his son Joseph the most.

Joseph's brothers were jealous and did not like Joseph at all. They sold him into slavery and lied to their father. Our families today have their problems and struggles too. We all need God's love and forgiveness, which we receive because of what our savior, Jesus, does for us.

Moses' Birth

Moses' family put their faith in God when they placed Moses in the river to be hidden from Pharaoh. Although it was a difficult and dangerous time for the family, God knew His plans for them. God works through others to provide help. Children will realize they, too, can be helpful, even though they are young.

Crossing the Red Sea

The children of Israel want to leave Egypt to go to the God's Promised Land. When Pharaoh finally lets God's people go, he changes his mind and chases after them. The Israelites are terrified. Moses tells the people to be still and watch God's plan for salvation unfold. God parts the sea so His people can walk safely to freedom on dry land. We must remember that in the good times and bad, God is always faithful to His Word.

Snack Prayer

God is great.

God is good.

Let us thank him
for our food.

Amen.

Chapel

Our first chapel of the year is coming up on **Tues. Oct. 14 and Wed. Oct. 15**. Students should hang up their backpacks and can walk with you down to the worship center. If you are not able to stay, that is totally fine! Make sure you let one of his/her teachers know and we will walk down together. We sing praises to Jesus, hear a bible story and our puppet friend, Gertie, usually makes an appearance as well! Younger siblings are welcome to attend with you!

Songs

Love Your Pets

Love, love, love your pets,

Love them every day.

Give them food and water, too.

Then let them run and play.

Five Little Kittens

Five little kittens standing in a row

They nod their heads to the children so

They run to the left, they run to the right

They stand up and stretch

In the bright sunlight

Along comes a dog who's in for some fun

MEOW! See those little kittens run!
