Valentine's Party

Our class Valentine party will be on Feb. 11 or Feb. 12. Your child can wear pink or red to help celebrate! There are 19 students in Class 1 and 19 in Class 4. If you would like to send in Valentines, please send one for each student. Your child will drop one Valentine into each bag, so please don't write a classmate's name on the card. However, it is a great opportunity for your child to practice writing his/her name on the Valentines. Try to write only a couple each day, to save from tired hands and so they don't become frustrated. Thank you!

Songs Feelings

Sometimes on my face you'll see,
How I feel inside of me.
My smile means happy, frown means sad,
And when I grit my teeth I'm mad.
When I'm proud, I beam and glow,
But when I'm shy my head hangs low.

God Gives Us Feelings
God gave everyone feelings,
And they're important too!
No matter how old you are,
They're still a part of you!

Jesus Time

Jesus' Baptism

Jesus traveled from his home in Galilee to the Jordan River, where John (his cousin) was preaching and baptizing. As soon as Jesus was baptized, a white dove appeared from heaven and came to rest on Him. God said, "This is My beloved Son, with whom I am well pleased."

Jesus Heals the Ten Lepers

The story of Jesus healing the ten lepers lays the foundation for a grateful heart. Students learn that, like the lepers, we are helpless to help ourselves against sin and death. Only God provides the cure through Jesus' sacrifice on the cross. We will learn to say Thank you to God, and to others for their help.

Jesus Raises Jairus's Daughter from the Dead

Jesus steps in and helps when no one else can. Jesus brings Jairus's daughter back to life, showing that He, and only He, has the power over all things—even death! God is always there to help with our problems—small and big!

(Mary Had a Little Lamb)
