Jesus Time

Gideon Wins the Battle Gideon did not want to lead Israel to victory over the Midianites. But Gideon knew that God had called him to this task and he trusted God to give him the strength he needed. God calls all of us to serve. Sometimes the work is overwhelming and scary, but God will always give us the tools and the strength we need to complete the task.

David the Singing Shepherd We all are marked as God's special children He bids us to do His will – love others and tell them about His love!
