Take Home Bags

My Friend Jesus

I love the idea of our preschoolers visually bringing Jesus with them where ever they go (even though we KNOW he is always with us). Just like the Buddy Bear bag in the 2 day classes, take a couple pictures and tell us about your adventures with Jesus! What if we all set a spot for Jesus at the table, how great would that be!

Estimation Jar

Each child will get the opportunity to bring home the Estimation Jar. It is a great counting activity for you to work on with your child at home. And a super tool to teach estimation and other math skills at school. Happy counting!

Jesus Time

Soul Food

Lesson 3 Angel Food Cake

Preschool children will hear how Elijah ran from a scary situation and an angel brought him food. They will learn how they can trust in God to care for them and always meet their needs.

Lesson 4 Got Food?

Preschool children learn about famine and how some people do not have much food. They will learn how God wants them to care for and share with others.

October Prayer

God is great.
God is good.
Let us thank him
for our food.
Amen.

Literature Extension

I just LOVE books. Especially, children's books. Our Friday class will have time to focus on a favorite book and a project that ties to the story. Many of our projects will focus on the skills needed to prepare your child for kindergarten. Fine motor skills like cutting, gluing and writing skills will be a focus. Also, cognitive skills will be taught through patterns, rhymes, sequence, repetition and more. Let me know if you have any questions.

Songs

Our Hand Washing Song

Now it's time to wash my hands,
Wash my hands, wash my hands.
Now it's time to wash my hands,
And then I'll have my snack.

I Love My Family

Some families are BIG (spread arms wide)
Some families are SMALL (arms together)
But I love my family (love sign)
Best of all!
