Lesson 8: Do the Right Thing

When it was time for Abram and Lot to divide up their land, Abram let Lot choose the best parts of the country first. Preschool children will hear how to think of God and others first and not be selfish.

Get Ready For Christmas

Lesson 1 An Angel comes for a Visit

The children will learn that God specializes in making the impossible possible. They will realize that God is bigger than all of their struggles and problems. They will also learn that no matter how hopeless a situation may be at home or school, God is always capable of doing a miracle in their life, just like He did for Mary.
